

# STAY CONNECTED WITH CAPAC

*Support creativity. Empower community.*

## OUR MISSION

The **Creative And Performing Arts Center** empowers youth and adults by providing access to learning opportunities in theater and STEM, fostering skills in creativity, critical thinking, collaboration, and leadership to build a brighter future through arts and sciences.

## CAPAC PROGRAMS

### CAPAC THEATER WORKSHOP

Inviting youth ages five and up to explore auditioning, acting, singing, and dancing in a welcoming and inclusive environment led by experienced professionals, culminating in engaging theatrical productions.

### FULL STEAM AHEAD: A THEATER ROBOTICS SUMMER CAMP

Prince William County middle school students are invited to participate in a three week, hands-on science, technology, engineering arts, and math program at George Mason University's Sci-Tech campus, culminating in a public theatrical production.

### STEAM AMBASSADORS PROGRAM

Camp alumni serve as mentors, earning community service hours and developing public speaking, planning, and leadership skills while guiding middle school students in fun, interactive STEAM activities.
